

## Course summary

VOE Code: LVO.INT.PRAC.X.23

ECTS credits: 5

Level: Bachelor's degree (full-time)

<b>Course Title</b>	School Practice		
<b>Type</b>	Compulsory		
<b>Learning competences</b>	Pedagogical, didactical and subject competent.		
<b>Learning outcomes</b>	The student has broadened his teaching skills. The student can plan his personal and professional development as a teacher and reflect on his learning experiences.		
<b>Course content</b>	<p>During this internship, the student is introduced to various aspects of the Dutch teaching profession. By observing teachers and pupils, the student acquires a panoramic view of teacher's work and of the organizational setting in schools in the Netherlands. By preparing and performing educational activities, the student gains experience of teaching a Dutch class. During the internship, the student develops teaching skills. The student compares the pedagogical-didactical climate between the host school and schools in student's own country.</p> <p>Throughout the period of internship the student reflects on his/her personal learning objectives during the internship, writes a personal development plan with regard to how to achieve these goals and reflects afterwards on whether he/she has achieved his/her goals.</p>		
<b>Planned learning activities and teaching methods</b>	Four F2F meetings at Windesheim. Weekly practice at Dutch host schools (1-2 days a week).		
<b>Recommended or required reading and other learning resources / tools</b>	Coaching by internship supervisor (Windesheim lecturer) and host school supervisor.
